Successful Science Fair Projects By Lynne Bleeker (Science teacher, science fair organizer and judge) A successful science fair project does not have to be expensive or even terribly time-consuming.

Neuroscience For Kids - science fairs
It’s not as if this weren’t predictable. Groups like FAIR (3/15/11, 8/14/12) and economists like Paul Krugman (New York Times, 4/6/11) and Dean Baker (Truthout, 8/13/12), among others, time and again during the early Obama years insisted the Republicans’ “deficit hawk” posture was little more than a marketing gimmick to justify cutting programs for the poor and transferring money to ...

The four factors of analysis for fair use set forth above derive from the opinion of Joseph Story in Folsom v. Marsh, in which the defendant had copied 353 pages from the plaintiff's 12-volume biography of George Washington in order to produce a separate two-volume work of his own. The court rejected the defendant's fair use defense with the following explanation:
