After months of work aligning Unicode 10.0 code points with new features in Emoji 5.0, the 2017 emoji list is now final. These include smileys, people, food, drink, flags, and for the first time: new fantasy characters such as a mermaid, genie, and vampire. We are today releasing the final version of our sample images for this update. These have been designed in the "Apple style" to picture ...

This paper focuses on the workplace consequences of both descriptive gender stereotypes (designating what women and men are like) and prescriptive gender stereotypes (designating what women and men should be like), and their implications for women's career progress. Its central argument is that gender stereotypes give rise to biased judgments and decisions, impeding women's advancement.

David Bowie - 1967 Decca 6 (Mediocre) Best song: Love You Till Tuesday. The first thing that jumps out at me regarding this album is just how hard Bowie is trying to look like contemporary (Between the Buttons-era) Mick Jagger on this album cover. The hair, the sweater, the slight sneer, it's basically dead on. Were they hoping somebody would look at this album cover and think for a second ...

Memo to the Washington Post: The Bible Does Reject ‘Transgender’ Behavior. The Stream, Sept. 16, 2016. I had already responded on Aug. 15 to a badly done New York Times op-ed that claimed that the Bible depicts God as transgendered and affirms gender fluidity. The WashPost op-ed arrives at a similar ideological objective (i.e., claiming that the Bible is not opposed to transgenderism) but ...

Based on a survey, more than half of the workplaces have their own dress codes. Since the workplace nowadays is quite ambiguous with their work attire rules, this article will show you what to wear at work and what not to wear at work, for specific dress codes. There are typically four kinds of dress codes in the office: business formal, business professional, business casual, and casual.

Other evidence suggests a more even gender distribution in nongame uses of the computer. For instance, a recent national survey of teenagers between 13 and 17 years, conducted by the Gallup Organization in conjunction with CNN/USA Today and the National Science Foundation, found that although boys were more likely to report playing video games on a daily basis, the same number of boys and ...

And then it was time for Bruce to make one more Jersey Jump on stage, for a nearly nine-minute performance of "Take it Easy" into "Our Lady of the Well," just as it's sequenced on the For Everyman album. After hanging back on "Our Lady of the Well," Springsteen the guitar-slinger threw in some sizzling riffs to finish off one of the least laid back evenings I've spent.
