Collection Management For School Libraries
Each school is required to develop an annual school management plan that outlines its most salient goals and an action plan for the current school year. These plans are based on the school leadership team's assessment of the school's student data and aligned with the goal areas of the division's six-year strategic plan. The development [...]

Maps. A collection of historical maps mostly of Christchurch and Canterbury. The digital copies of the maps are from originals held by Christchurch City Libraries, Christchurch City Archives, and from the Cartographic Collection at the Alexander Turnbull Library, National Library of New Zealand.

Digital Collection - Christchurch City Libraries
A school library (or a school library media center) is a library within a school where students, staff, and often, parents of a public or private school have access to a variety of resources. The goal of the school library media center is to ensure that all members of the school community have equitable access "to books and reading, to information, and to information technology."

School library - Wikipedia
A directory of web sites which will assist the K-12 school librarian with the operation of the library and the instruction of students.
